## About Me

I'm a motivated and adaptable Information Systems student at Institut Teknologi PLN with strong communication skills, leadership experience, and a passion for technology and innovation. I thrive in team environments, enjoy solving problems, and am always eager to learn and grow—both personally and professionally.

## Expertise Skill

- Graphic design
- Content Marketing
- Digital Marketing
- Video editing

## Education

- 2017 - 2020  
Smp Budi Kasih . Jl. G. Salahutu II No.13-15,  
Mardekaya Utara, Kec.  
Makassar, Kota Makassar,  
Sulawesi Selatan 90141

SMA Katolik Cendrawasih  
Makassar. Jl. Opu Daeng  
Risadju No.61, Kunjung Mae,  
Kec. Mariso, Kota Makassar,  
Sulawesi Selatan 90115

## Work Experience

- Project Leader – EduVibe (Learning Assistant App)
  - Led the development of EduVibe, a learning assistance application designed to support students through an AI chatbot named Eva (Education Vibe A).
  - Coordinated a small team, managed tasks using agile methods, and ensured the app met user needs in both functionality and design.
  - Integrated features based on user feedback and aligned with academic support goals.
- Event Organizer – Freelance / Independent
  - Planned and executed diverse events including social gatherings, creative workshops, and youth programs.
  - Handled end-to-end event coordination: from client consultation and budgeting to logistics, vendor management, and on-site execution.
  - Developed strong communication, problem-solving, and leadership skills in dynamic environments.
